Dedication

Just as *The Clock Tower* is symbolic of impressionable and fond memories, so too is Reverend Tom Summey. He has left his imprint on his country, state, and church in numerous and impressive ways through his involvement in the U. S. Army, The Scottish Rite Bodies, Oasis Temple of the Shrine, and the WNC United Methodist Church. Rev. Summey is best known in this area as God's messenger to the hearing-impaired. Despite his hectic schedule, traveling monthly from Asheville to Winston-Salem, Rev. Summey finds time to serve N.C. School for the Deaf students through preaching, Bible study, and individual conferences. During times of sickness and grief, his concern for the spiritual well-being of others is a source of strength as he comforts those in need through visits to homes and hospitals. His warm smile, friendly greeting, and interest in others provide inspiration and encouragement for all of us. To show our appreciation for his many years of service to NCSD, the Class of 1987 is pleased to dedicate the 1986-1987 edition of *The Clock Tower* to Reverend Thomas Summey, Jr.

Dr. C. Lorance Henderson, *Superintendent*

Superintendent

Dear Members of the NCSD Class of 1987:

Back during the years of 1967, 1968 and 1969 — the years of your births — some interesting and important things were happening: President Lyndon B. Johnson was succeeded by President Richard M. Nixon; Astronaut Neil Armstrong walked on the moon, the first man ever to do such a thing; men wore long hair and women wore mini skirts; Rock Festivals came into being; the first Super Bowl took place; doctors and surgeons performed the first human heart transplant; the big movies were **2001: A Space Odyssey** *and* **Bonnie and Clyde;** *Elvis Presley got married; Reverend Martin Luther King, Jr. was shot and killed in Memphis, Tennessee; and Helen Keller died.*

You could buy a new Pontiac Firebird for $2,495, a meal at the Holiday Inn for $2.50, milk for 99¢ a gallon, coffee for 69¢ a pound, sugar for 38¢ for five pounds and a newspaper for 10¢.

Since that time, we've changed presidents three times, new space goals have been established, a variety of human organs are transplanted daily, every week's movie schedule is different, prices are up and down (mostly up) depending on a variety of things. Things have changed since you were born.

Things will keep on changing and perhaps the challenge of school today is to produce minds and characters which can deal with changes in perceptive, honest and productive ways.

Your class is impressive in many ways and very impressive in that you seem ready to accept the challenge of change.

We congratulate you and wish you well.

Sincerely,

Rance Henderson

Varsity Volleyball Team

The girls' volleyball team of 1986 posted the best record since volleyball began at N.C.S.D. This was accomplished against some tough competition. The team will graduate five seniors. They will be missed. For the first time, an All-American volleyball team was picked nationally. One of our own, Donna Alvis, was chosen first-team. The 7-7 record demonstrates only a small part of the hard work and determination these girls put forth. Our girls worked as a complete team, with Susan Pinkerton and Angela Roberts setting the ball to Wendy Bass and Garyland Thompson with Donna Alvis always around to make the digs and saves. We appreciate these young ladies who continue to build the rich tradition of N.C.S.D.

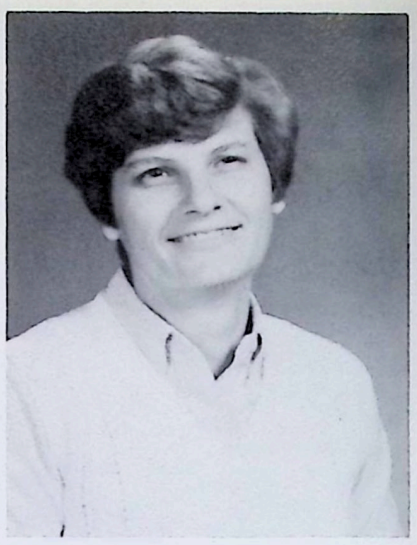
Girls' Varsity Basketball Team



Miss Sandy Turner
Head Coach

This 1986-87 season has got to be the season of girls rising to the task. We played six of the teams out of the Mason-Dixon field and went 4-2 before the tournament. NCSD had a good Mason-Dixon Tournament, finishing second. We had three team members named to the **All Tournament Team,** Garyland Thompson, Angela Roberts and Wendy Bass. This was the first time any team has had 3 players named on the All-Tournament team. We had the rebound leader for the tournament, Garyland Thompson, and the second rebounder, Wendy Bass. Wendy also became the first player from NCSD to win the Free Throw Championship. Our point guard, Angela Roberts was named to the **All-Burke County Team.** We finished the season on a winning note with a 11-9 record. — *Sandy Turner*

Boys' Varsity Basketball Team

NCSD's basketball season was exciting despite a rebuilding year. Timmy Teeters, 6'8" center — **Burke County High School Basketball Player of the Year** — had a super year, averaging 22 points and 13 rebounds per game. Timmy had strong support from point guard Joel Marc Derrick, junior forward Kenny Shumate, Korey McCauley and Boris Katic. Being chosen as First Team All-Tournament at the 1986-87 Mason Dixon Tournament, was only one of many honors he received this year. Timmy ended his high school career with 1,058 points which made him third on the all time NCSD scoring list.
